

# COLOR lessons

## Gabriele Wagner Kubo

The „FLORAL COLORS“ lessons are based on my books and set into 21 lessons with 3 tests.

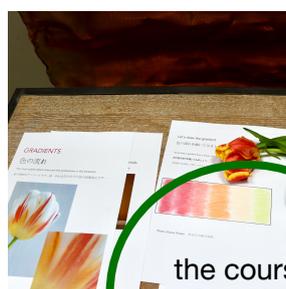

Content:

Chapter A: how to learn color combinations from the flowers

Chapter B: the Johannes Itten theory, the Swedish NCS color system

Chapter C: the colors of art, fashion, landscapes and how to translate them with flowers

The goal is to find „My Palette“, each students very own color preferences

the courses can be joined ONLINE
